

Exploring the Breakthrough Power of Vision
A Message delivered by Pastor Kayode Martins
at Thursday Chapel Service, September 20, 2018

The value of a product is determined by the factory and not the market. If you don't go through the process, you can't arrive at a product.

Life is not a play-fare, but a warfare. We are children of destiny and redeemed for glory and honour, but none of it will come to pass without taking responsibility.

You must let it sink in that you are valuable. You must stop being addicted to men's approval (Psalm 139:13-14; Jeremiah 1:5).

Biblical Proofs of True Vision

Every true vision guarantees continuous results. You enjoy divine strength, and cannot break down when you are pursuing God's vision. If the vision you're running with is of God, then you will always have the strength of God (Joel 2:1-8). Every true vision stirs joy within (Psalm 1:18; Hebrews 12:1-2).

How to Access True Vision

You must be spiritually watchful (Habakkuk 2:1-3).

Worship and praise should be your lifestyle (Isaiah 30:29).
